Anderson Makes Bid For Seat

Glenn M. Anderson, a Democrat and former lieutenant governor of California, has announced he will seek the 17th Congressional District seat being vacated by Congressman Cecil R. King.

King, who has served since August 25, 1942, announced last week he will not seek re-election this year.

Anderson, now engaged in the home construction business, was elected mayor of Hawthorne in his first successful political campaign. Elected to that office at the age of 27, Anderson was then the youngest mayor in the nation.

He resigned as mayor of Hawthorne after being elected to the Assembly in the 46th Assembly District in 1942. He was re-elected in 1944, 1946, and 1948.

ANDERSON was elected lieutenant governor in the 1958 general election and was re-elected in 1962.

Anderson, who is celebrating his 55th birthday today, is married and has three children. They are Melinda, 22, who was recently married; Evan, 20; and Glenn Michael, 17.

In announcing his candidacy, Anderson appointed Thomas B. Carvey Jr. and Mrs. Edward Schwartz of Torrance as chairman and co-chairman of his general campaign committee.

Sheriff Testing Extended

In an effort to recruit more than 100 deputies, Sheriff Peter J. Pitchess has arranged a one-day testing program next Saturday.

Candidates, 21 to 35 years of age, unable to apply on weekdays are encouraged to take advantage of this special arrangement.

To further expedite the examination procedure, written tests will be scored immediately and successful candidates will receive an oral interview on the same day.

The beginning salary is \$677, with an advance to \$715 after the first year. At the end of three years, the deputy sheriff earns \$797 monthly. Promotional opportunities are excellent and the department offers a wide variety of patrol, jail, and detective assignments, Pitchess said.

Increase in Water Rates Authorized

Authorization to increase rates by 21 per cent has been granted by the California Public Utilities Commission to the California Water Service Co.

The firm serves customers in a section of West Torrance, Redondo Beach, and Hermosa Beach.

In addition, the commission approved additional increases for 1969 and 1970, to bring the total increase to the 30 per cent sought by the company.

The new quantity rate is 24 cents per 100 cubic feet. It will increase to 25 cents in 1969 and 26 cents in 1970. Service charges will be increased from \$1.95 to \$2.40 this year for the standard meter.

Rocque Garcia Youngest Candidate for Council

Rocque R. Garcia, of 21003, 100 per cent increase for the mayor; formation of council districts, election of the city attorney, and restrictions on travel expenses, which would prohibit the city manager from hiring and firing city employees. He is married.

Garcia, a special education assistant at North High School, is 22.

Born in San Pedro, he attended St. Catherine's Elementary School, Lawndale High School, and El Camino College. He holds a bachelor's degree in history and political science from California State College at Long Beach.

ROCQUE R. GARCIA
Youngest Candidate

"The future of Torrance depends on the young in spirit regardless of age," Garcia said. "The future of Torrance demands that we know where we are going."

Garcia said he feels the council is burdened with "too many unimportant details" and suggested that the body should concern itself only with policy.

He said he would campaign for a 50 per cent increase in salary for councilmen and a
